THE WANDERING LENS
CAPTURING BEAUTIFUL MOMENTS

A private pickup from your hotel **(10AM~6PM)** will bring you to the studio located at **Hongya Cave**, where your Hanfu adventure begins. Browse through a curated selection of stunning Hanfu, picking the outfit that speaks to your style and mood for the day. A professional stylist will help you slip into your chosen ensemble, while a skilled makeup artist enhances your natural beauty, ensuring every detail is perfect for the photoshoot ahead.

Note: Complimentary pickup is provided from downtown Chongqing hotels. Guests outside this area may contact us for personalized arrangements.

Step into a world of elegance as your hair, makeup, and accessories are carefully styled, and enjoy your **full Hanfu experience**—including dressing, hairstyling, makeup, and the photoshoot itself—which takes **approximately 2-3 hours**. Once ready, head to the picturesque photoshoot location and capture stunning, magazine-worthy shots in Hongya Cave—whether twirling in flowing silk, striking playful poses, or simply enjoying the moment.

Note: If you're unsatisfied with any part of your makeup, let the artist know on the spot—they'll happily make adjustments to ensure you feel your best.

After your photoshoot, feel free to explore the area. Return your Hanfu and accessories and change back into your regular outfit, **latest by 10:00 PM**. Finally, enjoy a relaxing transfer back to your hotel and be back before 11:00 PM, reflecting on a day filled with elegance, fun, and beautiful memories that will stay with you long after your Hanfu comes off.

Recommended: For the iconic night photoshoot, we suggest coming in the late afternoon or early evening to capture Hongya Cave beautifully lit up.
